

# Trellech Primary School

## Home – School Agreement

Pupil's Name

---

The aim of this booklet is to lay down what parents and pupils can expect of the school. At the same time, it lays out the responsibilities of parents and pupils during their time here at Trellech Primary.

We see this document as laying the foundations for a sound learning partnership between home & school. Children will never come close to reaching their potential if home and school do not share the same standards and approaches or communicate effectively.

**Please take some time to talk through the expectations listed in each section with your child then sign and return the booklet to school. We will make a copy for our files and send you the original.**

## Parental Responsibilities

I will:

- Ensure that my child arrives at school on time, physically, mentally & emotionally ready for the day ahead.
- Support my child to develop and understand (at home) what they have been learning in school.
- Support my child's progress in reading by listening to them read and reading to them on a regular basis.
- Inform the school about any medical or health issues which may affect my child's attendance, behaviour or happiness in school.
- Make sure that my child understands and abides by the school's rules at all times.
- Endeavour to attend all parents' consultation evening to get to know more about my child's progress in school.
- Support the school's uniform policy and ensure that he/she has correct and appropriate clothing.
- Help my child to understand that learning is something that happens everywhere and at any time, not just in school.
- **Make sure that my child understands that physical aggression is never acceptable in school and will be dealt with firmly.**

I understand the above responsibilities and will endeavour to abide by them.

## School's Responsibilities

We will:

- Be open and honest about your child's education, aiming to keep you informed about their progress and any concerns we have at an early stage.
- Treat your child fairly in every situation and context.
- Employ a range of methods to engage your child and help them to learn to the best of their ability.
- Provide a vibrant, stimulating environment in which your child can learn.
- Design and deliver a curriculum which is interesting, relevant, and enjoyable and meets all legal requirements laid down by the Welsh Assembly Government.
- Endeavour to help your child achieve and hopefully exceed national expectations for children by the time they get to the end of Key Stage 1 (Year 2) and Key Stage 2 (Year 6).
- Be open and welcoming at all times and offer you opportunities to become integral partners in the life of the school.
- Teach your child the skills they need to become literate and numerate as well as skilled in all curriculum subject areas.
- Teach your child the skills they need to resolve issues and conflicts and to live, learn and work with others now and for the rest of their lives.
- Teach your child how to learn more effectively and develop their thinking skills.
- Maintain an ethos whereby parents feel comfortable in raising concerns with their child's class teacher or other members of staff as appropriate.
- Provide on-line resources to help you child learn out of school hours.

On behalf of the Governors and staff, I hereby commit to these responsibilities.

- Try to tell an adult in school if I have a problem or worry, even if it is embarrassing or I am nervous about it.
- Respect other people's property and feelings.
- Look after and care about the school building and grounds as well as any equipment I use to play and learn.
- Take part in making class rules and make sure I keep to them.
- Be polite to everyone I learn with and work with in school.
- Keep an eye out for children who need a friend and be kind to others.
- Try to make everyone around me (and myself) proud of what I do and achieve.
- Act sensibly when I am representing the school on visits and trips.
- **NEVER EVER hit, kick, pinch, punch, bite or hurt anyone.**

I promise to try my hardest to keep these rules.
